VOL. IV.

MONTREAL, TORONTO AND HALIFAX:
ISSUED SEMI-ANNUALLY BY DUN, WIMAN & CO.
1868.

Entered, according to Act of the Provincial Parliament, in the year one thousand eight hundred and sixty-eight, by E. Wiman, in the Office of the Registrar of the Province of Canada.

MONTREAL:

Printed by John Lovell, St. Nicholas Street.

TERMS OF SUBSCRIPTION.

In CONSIDERATION of the agreement hereby entered into by DUN, WIMAN & Co., to furnish to the best of their ability, information of the Mercantile Standing and Credit (in the communities wherein they respectively reside) of our customers among the Manufacturers, Merchants, Traders, &c., throughout the British Provinces of North America, and the United States, concerning whom we have occasion to make inquiry, in order to aid us in determining the propriety of giving credit; we, the undersigned, do hereby employ said DUN, WIMAN & Co. to procure and furnish to us the information aforesaid, in accordance with the following rules and stipulations, and with which we agree to comply faithfully, to wit:

1.—All information furnished us by said DUN, WIMAN & Co. shall be STRICTLY CONFIDENTIAL, and shall never in any way be communicated to the persons reported, nor to any other person or persons whatever other than the members of our firm. All extended reports are to be read at their office to us or to such confidential clerk as may be authorized by us to receive the same, subject to their regulations. And said DUN, WIMAN & Co. shall prepare for our use, and place in our keeping, a printed copy of a Reference Book for the British Provinces, prepared by them, containing ratings or markings of the credit of business men. And all our inquiries at their office, as also all use we may make of said Reference Book, shall be exclusively confined to the legitimate business of our establishment.

2.—We will pay in advance, dollars for one year's services of said DUN, WIMAN & Co., together with the use of said Reference Book, pursuant to the foregoing conditions, and such other sum annually thereafter for the same as may be agreed upon between us, verbally or otherwise, subject always to the conditions and obligations above mentioned.

3.—We further agree that upon delivery to us of a copy of any subsequent edition of the Reference Book, the one now placed in our hands shall be surrendered, and also, that upon the termination of our relation as subscribers, the copy then remaining in our hands shall be given up to said DUN, WIMAN & Co.

PREFACE.

In pursuance of the promise made to our patrons last year, we herewith present them with another Edition of The Reference Book. The accompanying volume has been prepared with very great care. An immense addition has been made to the names of traders; and mindful of the increased interest in the Maritime Provinces, the reports in that section have been nearly doubled. The ratings of the entire volume have been most carefully revised in the light of the Detailed Reports which have been gleaned within the past six months by our own travellers and correspondents. We hope the Book will be found more than usually useful at the present time; for, notwithstanding a very generally prosperous condition of consumers, the trade of the country is so largely over-done that the closest investigation and the wisest discrimination is needed in granting credits.

We reiterate the request to subscribers to avail themselves of the full reports of each applicant for credit to be found at our various offices. The Book is useful as indicative of Capital and Credit, but as a basis for transactions of any magnitude, subscribers should do themselves and us the justice to be as fully advised as possible.

Montreal, Toronto and Halifax,
January 1st, 1868.

? Inquire at our Office.*			

* This embraces not only those of questionable credit, but also those whose business and investments render it difficult to rate them satisfactorily to ourselves. We therefore prefer, in justice to these, to give our detailed report.

The first column is intended to represent, as nearly as the scale will admit, the worth of a person,—not only capital in business, but all property in possession above indebtedness. It has no relation to the second column, except so far as capital or property is a qualification for credit. All who are worth less than $2000 are left blank in this column.

The markings in the second column are higher or lower, (as compared with pecuniary resources,) according to personal or business qualifications, the nature, hazard and extent of business, &c.

ABBREVIATIONS USED IN THE CHANGE LIST.

A means *Assigned.*	D means *Dead.*
F " *Failed.*	Diss " *Dissolved.*
